## Health and Safety

**Medical Form:** The Annual Health Form requires an annual physical by youth and adults regardless of age, and signature if a licensed healthcare practitioner. Everyone attend CCLT overnight (Scouts and adults) must turn in a health history before participating in any camp activities. **The Annual Health and Medical Report is valid for 12 months and Parts A, B, and C must be completed for all Scouts and leaders attending camp for a length of 72 consecutive hours or longer.. UNDER NO CIRCUMSTANCE WILL A MEDICAL FORM BE ACCEPTED BY THE CAMP PERSONNEL WITHOUT THE SIGNATURE OF A LICENSED PRACTITIONER (MD, DO, Nurse Practitioner or Physicians Assistant). This health form must also be signed by a parent or guardian.**

**First-Aid:** The camp provides a fully trained Health Officer on call 24 hours a day. Arrangements have been made for care at Cameron Memorial Hospital in Angola. All injuries requiring additional treatment will be sent to Cameron Memorial Hospital. All injuries (no matter how small) must be reported to the camp Health Officer.

**Incident Reports & Medical Bills:** The Boy Scouts of America medical insurance does not automatically cover medical bills. The troop leader will complete an Incident Report Form with the camp medical staff. All bills are then submitted to the person's family insurance. Any portion

not covered by the family insurance may be submitted to the BSA insurance by providing all medical bills and insurance statements. The BSA insurance program is secondary insurance coverage.

**Medicine:** All prescription medicine will be monitored by the camp Health Officer. This year, medication not requiring refrigeration will be distributed by the Designated Unit Leader in the campsite. The troop will be issued at lockable Medication Box. **All medications must be in their ORIGINAL container. Medications not provided in their Original Container WILL NOT be accepted.** Scouts on medications must have a completed medication record sheet signed by their parent. Those with epi-pens, inhalers, etc... should bring TWO, marked with the Scout's full name. An extra shall be kept in the Medication Box as a precaution.

**Youth Protection:** Boy Scout Resident Camp is committed to the highest standards of youth protection. It is mandatory that all adult leaders attending camp have taken the Safeguarding Youth Training offered at [www.scouting.org](http://www.scouting.org).

**Cell Phones:** Cell phone usage during program time is at the discretion of the Counselor. Outside of program is up to the unit leaders.

**Drugs/Alcohol/Smoking:** Alcoholic beverages and illicit drugs are strictly prohibited. Violators will be removed from camp by the Steuben County Sheriff's Department. Prescription drugs MUST be placed in the care of the camp medical staff at the Health Office.

# What's New?

## Program Offerings

CCLT is committed to keeping camp exciting and interesting year after year! We offer merit badge rotations so that scouts who come to enjoy our camp have the opportunity to experience a wide range of activities.

### Programs in 2026 include:

Aqua Block, Cyber Security, Electronics, Entrepreneurship, Forestry, Geology, Journalism, Mammal Study, Nature, Public Speaking, Soil and Water Conservation, and Sustainability.

***Additionally, we offer the following EAGLE REQUIRED merit badges: Camping, Citizenship in the Nation, Citizenship in the World, Communication, Cooking, Emergency Preparedness, Environmental Science, First Aid, Hiking, Lifesaving, Personal Fitness, and Sustainability. We also offer a 3-hour Conservation Project on Wednesday afternoon.***

## COWBOY ACTION!

Ever wanted to step back to the Old West or wondered what the life of a Cowboy is like? Scouts play “good guys” who prove their accuracy by shooting at things like spinning metal targets where they hit the spinner to “ring the bell.” Save the camp from being over-run by desperados trying to take over Cole’s Law area.

The program offers a fun and safe introduction to Cowboy action shooting with pistols, rifles, and shotguns. Eligible Scouts can take part in a special shooting experience with opportunities to shoot single-action .22-caliber pistols, lever-action .22-caliber rifles, and 12-gauge or 20-gauge shotguns.

Pg. 9

## AQUA BLOCK

Our Aqua Block session on Wednesday and Friday mornings are an opportunity to have some fun at the waterfront. Staff will engage campers in fun activities that vary with the experience of the campers

## More Open Session!

In an effort to meet your requests, we have added additional afternoon open program time on Wednesday and Friday afternoons! Come enjoy the laid-back fun camp has to offer. See the weekly schedule on pg. 11 for details. Please note that there are a few merit badges that will run during that open program time, so if scouts choose an all-day badge on Wednesday or Friday, they will need to remain in that class during the open session that day.

## FRIDAY NIGHT COOKOUT

With your comments to improve Summer Camp, we will be having a Cookout every Friday night that is open to campers and families. Dinner menu will be hamburgers, chips, veggies, and cookies. These dinners can be eaten at picnic tables, in the Dining Hall or back at your campsites. Visitor meals are \$10 each and can be paid at the camp office by any unit leader.

## Share Your Pictures With Us!

A picture is worth a thousand words! Many of us take a TON of pictures while we're at camp! We invite you to share those memories with us by emailing your pictures to [cclt.photos@gmail.com](mailto:cclt.photos@gmail.com). We may share them with the rest of the campers by adding them to our slideshow in the Dining Hall, or maybe even using them to promote camp in the future!

# 1st Year Camper Program

Welcome your new Scouts to camp and to Scouting with the First Year Camper Program "**Turtle Quest**"!

Two full days (Monday & Tuesday) of fun, laughter, and learning.

Turtle Quest is designed for new scouts, ages 10-13, who are coming to resident camp for the first time. This is a bridge between Cub Camp and Scout Camp. Scouts will learn and use the Patrol Method, Scout Oath and Law, Scout Spirit, basic Scouting skills, and teamwork through games and activities. This is a fun and exciting experience to help acclimate our newest members to our amazing camp.

Upon completion of tasks and competitions, Scouts will earn a special token for their achievements.

This program is a two day program on Monday and Tuesday of resident camp. Scoutmasters are encouraged to join us later in the afternoon on Tuesday to hold Scoutmaster Conferences - camp staff will not be signing books. Although our focus is on learning through fun activities, scouts should have the opportunity to achieve many requirements towards Scout, Tenderfoot, and Second Class ranks upon Scoutmaster review.

We will have our own special campfire on Tuesday evening after vespers, where each scout should bring a buddy as they will come back to their campsites when we are done. Leaders are also welcome to attend. Scouts will perform skits with their patrols as a First Year Camper unit and celebrate their hard work over these two days.

Scouts should bring their 10 essentials and their Scout Handbook with them everywhere they go.

## Range & Target Activities

Truly a favorite among Scouts, all range & target activities - archery, shotgun, and rifle - take place at the Cole Ranges. All of these badges require good hand-eye coordination and are not recommended for first-year scouts. Additional open sessions may be needed to complete these badges. All Range & Target activities are supervised by a National Camp School Trained Range & Target Activities Director and/or NRA Certified Instructor.

**Open Archery/Rifle/Shotgun** - Open for Scouts and adults to come and shoot rifle, shotgun, and archery. NOTE: Merit Badge participants will have priority during these open session times.

**Muzzleloader Madness** - Have a blast with the muzzleloaders! Open to all ages with no additional costs.

**Open Tomahawk & Knife Throwing** - Open for Scouts and adults to come and throw 'hawks or knives. NOTE: This is not a merit badge. No age restrictions.

**Scout & Scoutmaster Shootout** - Send your unit's top shot youth and adult to compete in our Top Shot Competition Thursday at 7pm!

**Project COPE** - Challenging Outdoor Personal Experience; team and leadership skill building with the backdrop of initiative games, low ropes course, and elements from our high ropes course! This is a two-and-a-half day course, recommended for mature scouts.

# Ecology-Conservation

All Ecology-Conservation Merit Badges are based out of the Thoms Lodge and utilize the 1200 acres of outdoor classroom space on the Anthony Wayne Scout Reservation. The property boasts a wide variety of wildlife including White Tail deer, pheasant, turkey, and the not-so-elusive Northern Indiana Large Mouth Mosquito! Participation in Eco-Con programs may also qualify youth to earn the World Conservation Award. The Ecology-Conservation Program is supervised by a National Camp School Trained Ecology Director. All programs in this area require paper and writing utensils.

## Camp Chief Little Turtle 2026

### Merit Badge Selection

Camp Chief Little Turtle runs day-long merit badges. The “x” on the schedule designates the day it is offered. Most programs are day long unless otherwise noted as either “am” or “pm” only. Note that several merit badges are two-day events and you must plan accordantly.

Please review the Merit Badges offered and recommend that you pick one a day to plan your weekly program. If you would like to take a day off and do some hiking or another activity, you may do that. Please note that many merit badges require Pre-Requisites and preparation. Please plan to do these ahead of time and take your work to camp with you, or have Tom Bassett sign off.

Merit Badge	Mon	Tues	Wed	Thurs	Fri	Eve

Please make your choices as soon as possible as some merit badges have limited class sizes. Please turn this selection chart in to Tom Bassett as these selections must be entered into the summer camp computer program.
